

(a) Procedures for emergency response actions and longer-term remediation of environmental and health risks at hazardous waste sites (including but not limited to the development of generic health and safety plans, quality assurance project plans, and community relation plans);

(b) Provisions for satisfying all requirements and assurances (including the development of a fund or other financing mechanism(s) to pay for studies and remediation activities);

(c) Legal authorities and enforcement support associated with proper administration of the recipient's program and with efforts to compel potentially responsible parties to conduct or pay for studies and/or remediation (including but not limited to the development of statutory authorities; access to legal assistance in identifying applicable or relevant and appropriate requirements of other laws; and development and maintenance of the administrative, financial and recordkeeping systems necessary for cost recovery actions under CERCLA);

(d) Efforts necessary to hire and train staff to manage publicly-funded cleanups, oversee responsible party-lead cleanups, and provide clerical support; and

(e) Other activities deemed necessary by EPA to support sustained EPA/recipient interaction in CERCLA implementation (including but not limited to general program management and supervision necessary for a recipient to implement CERCLA activities, and interagency coordination on all phases of CERCLA response).

Continued funding of tasks in subsequent years will be based on an evaluation of demonstrated progress towards the goals in the existing Core Program Cooperative Agreement Statement of Work.

**§ 35.6230 Application requirements.**

To receive a Core Program Cooperative Agreement, the applicant must submit an application form ("Application for Federal Assistance," SF-424, for non-construction programs) to EPA. Applications for additional funding need include only the revised pages. The application must include the following:

(a) *A project narrative statement*, including the following:

(1) *A Statement of Work (SOW)* which must include a detailed description of the CERCLA-funded activities and tasks to be conducted, the projected costs associated with each task, the number of products to be completed, and a schedule for implementation. Eligible activities under Core Program Cooperative Agreements are discussed in § 35.6225 of this subpart;

(2) *A background statement*, describing the current abilities and authorities of the recipient's program for implementing CERCLA, the program's needs to sustain and increase recipient involvement in CERCLA implementation, and the impact of Core Program Cooperative Agreement funds on the recipient's involvement in site-specific CERCLA response.

(b) *Budget sheets* (SF-424A);

(c) *Proposed project and budget periods* for CERCLA-funded activities. The project and budget periods may be one or more years and may be extended incrementally, up to 12 months at a time, with EPA approval;

(d) *Certifications* for a drug-free workplace; debarment, suspensions, and other responsibility matters; procurement; and lobbying, pursuant to § 35.6105(a) (3) through (6) of this subpart.

**§ 35.6235 Cost sharing.**

The recipient of a Core Program Cooperative Agreement must provide at least ten percent of the direct and indirect costs of all activities covered by the Core Program Cooperative Agreement. The recipient must provide its cost share with non-Federal funds or with Federal funds authorized by statute to be used for matching purposes. Funds used for matching purposes under any other Federal grant or Cooperative Agreement cannot be used for matching purposes under a Core Program Cooperative Agreement. The recipient may provide its share using in-kind contributions if such contributions are provided for in the Cooperative Agreement. The recipient may not use CERCLA State credits to offset any part of the recipient's required match

### SUPPORT AGENCY COOPERATIVE AGREEMENTS

#### § 35.6240 Eligibility for support agency Cooperative Agreements.

States, political subdivisions, and Indian Tribes may apply for support agency Cooperative Agreements to ensure their meaningful and substantial involvement in response activities, as specified in sections 104 and 121(f)(1) of CERCLA and the NCP. (See § 35.6800 (a) and (b).)

#### § 35.6245 Allowable activities.

Support agency activities are those activities conducted by the recipient to ensure its meaningful and substantial involvement. The activities described in section 121(f)(1) of CERCLA, as amended, and in subpart F of the NCP, are eligible for funding under a support agency Cooperative Agreement.

#### § 35.6250 Support agency Cooperative Agreement requirements.

(a) *Application requirements.* The applicant must comply with the requirements described in § 35.6105(a) (1), (4), (5) and (6), and other requirements as negotiated with EPA. (Indian Tribes are exempt from the requirement of Intergovernmental Review in part 29 of this chapter.) An applicant may submit a non-site-specific budget for support agency activities, with the exception of remedial action support agency activities, which require cost share and must be applied for within a site-specific budget. All support agency activities are subject to the applicable sections of this subpart.

(b) *Cooperative Agreement requirements.* The recipient must comply with the requirements regarding financial administration (§§ 35.6270 through 35.6290 of this subpart), property (§§ 35.6300 through 35.6450), procurement (§§ 35.6550 through 35.6610), reporting (§§ 35.6650 through 35.6670), records (§§ 35.6700 through 35.6710), and other administrative requirements under a Cooperative Agreement (§§ 35.6750

through 35.6790) described in this subpart.

#### § 35.6255 Cost sharing.

The requirements for cost sharing under a support agency Cooperative Agreement are the same as the cost sharing requirements of § 35.6105(b)(2) of this subpart. The State may use in-kind services as part of its cost share. (See § 35.6815(b) for SSC payment requirements.)

### FINANCIAL ADMINISTRATION REQUIREMENTS UNDER A COOPERATIVE AGREEMENT

#### § 35.6270 Standards for financial management systems.

(a) *Accounting system standards.* (1) *General.* The recipient's system must track expenses by site, activity, and, operable unit, as applicable, according to object class. The system must also provide control, accountability, and an assurance that funds, property, and other assets are used only for their authorized purposes. The recipient must allow an EPA review of the adequacy of the financial management system as described in 40 CFR 31.20(c).

(2) *Allowable costs.* The recipient's systems must comply with the appropriate allowable cost principles described in 40 CFR 31.22.

(3) *Pre-remedial.* The system need not track expenses by site. However, all pre-remedial costs must be documented under a single Superfund account number designated specifically for the preresidential activity.

(4) *Core Program.* Since all costs associated with Core Program Cooperative Agreements are non-site-specific, the systems need not track expenses by site. However, all Core Program costs must be documented under the Superfund account number(s) designated specifically for Core Program activity.

(5) *Support Agency.* Unless otherwise specified in the Cooperative Agreement, all support agency costs, with the exception of remedial action support agency costs, may be documented under a single Superfund account number designated specifically for support agency activities. Remedial action support agency activities must be documented site-specifically.
